## INTRODUCING JACQUARD INK & PAD

INK IS OUR BUSINESS — Industrial Inks • Craft Inks • OEM Stamp Pads

*Burlington, WA (February 17, 2020)*

Dear Clearsnap Customers:

Jacquard Products is pleased to announce the acquisition of equipment, molds, and technologies from Clearsnap, Inc. The new company, [JACQUARD INK & PAD](#), is now fully operational, operating out of the same building in Washington, utilizing the same personnel, but under new ownership and management.

From this time forward we will be forging ahead with enhanced capabilities and service. This includes industrial and craft ink manufacturing, OEM / private labels stamp pad production. We invite your queries and look forward to a prosperous year together.

---

For nearly 40 years, [Jacquard Products](#) has been a leading manufacturer of artist and craft materials in the USA. With the introduction of [JACQUARD INK & PAD](#), we look forward to bringing our manufacturing expertise and ethos of quality, innovation and professionalism to an expanded marketplace.

## INK PADS

### PRIVATE LABEL INK PADS

JACQUARD INK & PAD offers full-service OEM and private label ink pad manufacturing. No matter what type of ink pad you are interested in—industrial or craft, pigment-based or dye-based, metallic, opaque or transparent, fast or slow drying, etc.—we can see your production needs through from beginning to end.

We are proud to be a one-stop-shop for any brand interested in offering ink pads!

### BRANDED INK PADS

While Jacquard's acquisition of Clearsnap did not include the acquisition of the **ColorBox** brand name, we did acquire the molds, equipment, ink formulations, and rights to produce equivalent ink pads, for both private label and our own brand.

Keep an eye out for a line of top-quality **Jacquard branded ink pads** coming soon!

## INK MANUFACTURING

JACQUARD INK & PAD manufactures a full range of industrial and craft inks, for applications on virtually any surface, and for a variety of marking systems (see more details below).

Our catalog runs the gamut from highly specialized solvent-based inks to highly economical water-based inks.

We also offer full-service custom ink formulary tailoring, specific to your requirements. Working on a special project? JACQUARD INK & PAD can develop an ink specific to your needs!
